Preface

Dear Colleagues,

The members of the Conference Program Planning Committee and Local Organizing Committee extend you a warm welcome to Toronto for the 48th International Meeting of the Society for Psychotherapy Research. We have assembled a wonderful program that reflects the depth and breadth of scholarship of our membership around the world. On behalf of the Conference Program Planning Committee I would like to thank all of you who submitted papers, posters, discussion groups, and panels.

As you remember, the theme of our meeting in Toronto, Canada is "Building Bridges", reflecting the constructive dialogues and open interchange of ideas and research results that have long been a tradition of the SPR community.

This year we'll also be testing a smartphone app with the program, we'll be interested to know what think. Everybody, will get the traditional printing program, but we're interested in exploring more environmental friendly options.

Program Structure: Our host site in Toronto is beautiful campus of Victoria University, one of the twelve colleges of the University of Toronto, located in the heart of downtown Toronto. The conference will be held in Emmanuel College and the Northrop Frye Building adjacent to Victoria College. The program begins on Wednesday, June 21, with 8 pre-conference workshops scheduled in morning (9AM-12PM) and afternoon (2PM-5PM) blocks, followed at 6PM by the official opening ceremony. The evening program will include the Presidential Address, awards ceremony, and a reception.

Thursday, Friday and Saturday mornings will open at 8:30AM. We decided to experiment with starting a little earlier and include one more time slot per day. By doing this we were able to reduce the number of parallel sessions from 12 to 10, hoping to tackle a traditional problem of SPR meeting: too many sessions that interest each of us at the same time. In addition, we had space constraints that made this decision seem reasonable.

Lunches will be a little different this year also. Meals will be served at the Burwash Dining Hall, a beautiful building more than 100 years old. However, the dining hall is not large enough to accommodate all conference attendees. We had to organize lunches in two seating-slots (one from 12:00-1:00PM, and another from 1:00-2:00PM). Saturday lunch will be a brown-bag one, and attendees will have a 1½ hour break before structured discussion sessions start at 1:30PM.

Chapter meetings will be happening during lunch break on Thursday. EU and LA Chapters will meet from 12:00-1:00PM and will have lunch on seating B; and, NA and UK chapters will have lunch from 12:00-1:00PM (seating A) and meet from 1:00-2:00PM. The General Membership meeting will be 3:30-4:30PM Friday.

On Thursday, we'll have four 90 minute slots for panels covering the topics announced on the call for papers, and one 60-minute time slot for brief paper sessions. The day will end with the usual poster session. Posters will be displayed in large area that will promote interaction and discussion required by the quality of the submissions. Friday, we'll have 3 time slots for panels, one plenary session on "Therapist effects", and one poster session. Saturday, will be again dedicated to the conference theme, with panels, brief paper sessions, and will include most of the structured discussion groups. The day will end with the conference dinner party at the Gardiner Museum. The perfect setting to reflect on the previous days' experiences while relaxing with old and new colleagues alike, and make plans for next year's conference in Amsterdam.

Continuing Education Credits

SPR will provide CE credits in collaboration with the Ontario Psychological Association (OPA). CE credits are granted to registrants with documented attendance at individual sessions and completed evaluation forms from the sessions. Attendance is monitored. CE credits can only be provided to registrants present for the entire session.

CE Information

Some workshops, as well as the Presidential Address and Friday Plenary Session have been approved by OPA as eligible to provide continuing education credits to psychologists and psychological associates. Each workshop will be eligible for 3 CE credits, the Presidential Address for 1 CE credit and the Plenary on Friday will be eligible for 1.5 credits.

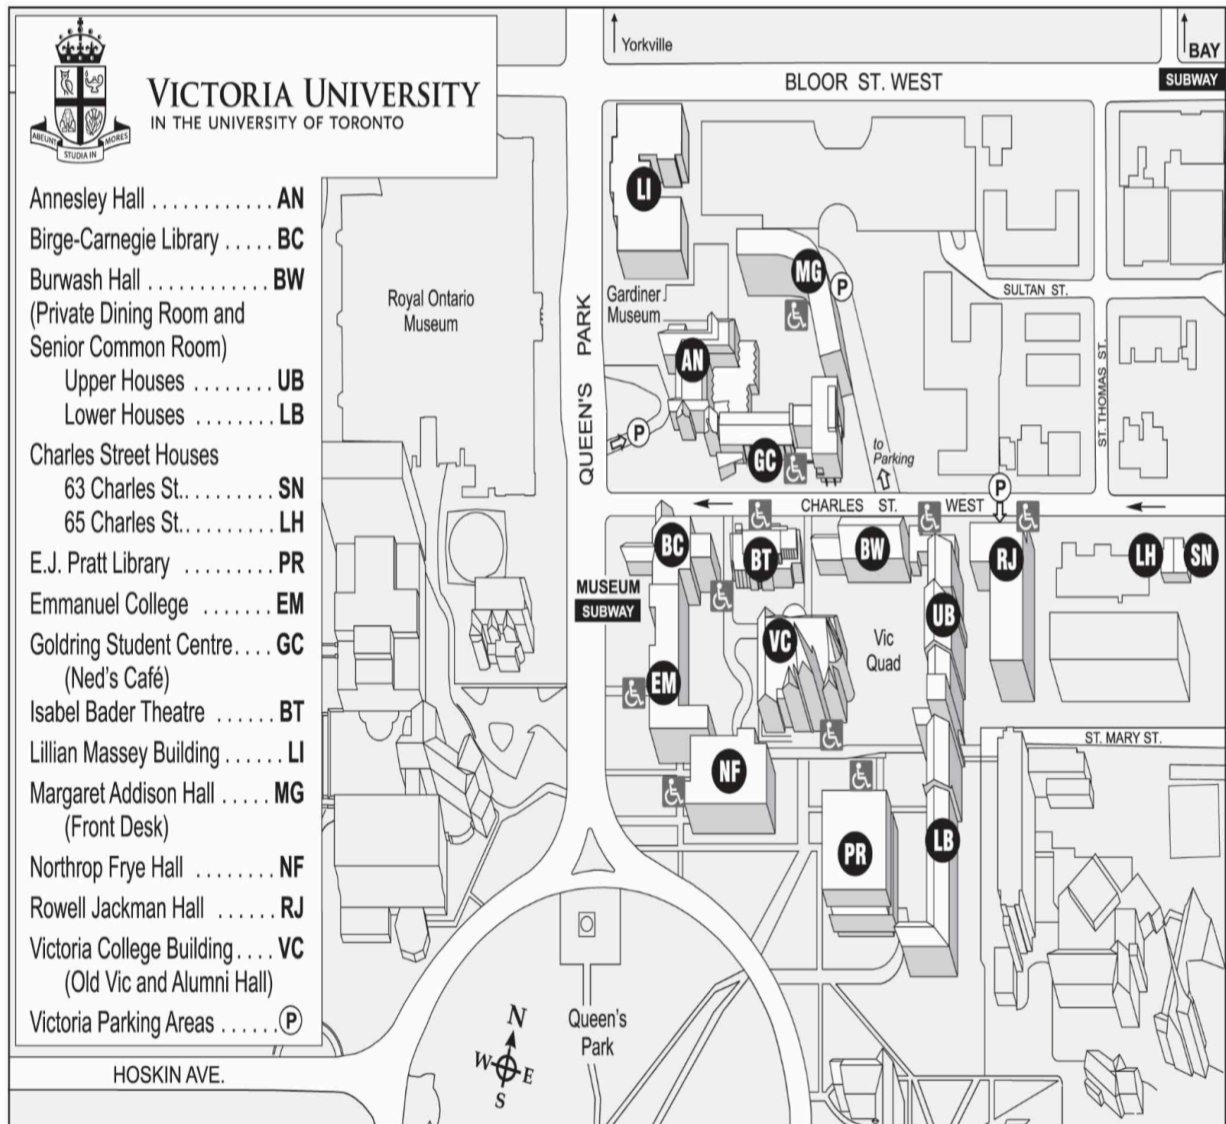

CE Registration

Registration for the CE credits will be done on site. If you wish to receive CE credits, you will need to pick up the form at the registration desk when you register.

CE Documentation

The Presidential Address, Friday Plenary and all approved workshops offering continuing education credits will have a CE notation next to the listing in the program. When attending a CE session, each registrant will need to have their attendance sheet stamped at the beginning and end of the session and complete a brief session evaluation. CE proctors will be located at the door to assist. Completed attendance forms and evaluation sheets need to be handed in at the registration desk **by Saturday morning at 10am**. After the conference ends, all CE attendance sheets will be reviewed and certificates of CE credits earned will be emailed to each registrant.
