Preface

Dear Colleagues,

The members of the Conference Program Planning Committee and Local Organizing Committee warmly welcome you to Amsterdam for the 49th International Meeting of the Society for Psychotherapy Research.

Amsterdam is known worldwide for being a diverse, open, and tolerant city that combines a strong culture with modern and sustainable development. In keeping with our host city, the theme for SPR's 49th Annual International meeting is "Integrating Diversity into Psychotherapy Research". As part of our commitment to making our society even more inclusive and international, diversity gives us the chance to foster integration and inclusion while at the same time enriching our discipline.

The program of this new version of our annual meeting reflects this diversity. The response to our call for submissions was enthusiastic: we received an impressive number of submissions representing all areas of psychotherapy research, practice, and training. Colleagues from all over the world will participate actively through presentations, displaying diversity in terms of culture, gender, age, clinical practice, and methods in our professional field as psychotherapists and researchers.

On behalf of the Conference Program Planning Committee, we would like to thank you all for the submission of Panels, Brief Papers, Structured Discussions, Posters, and Pre-Conference Workshops. Your work will ensure diversity for this conference in its broadest sense.

Venue: Our host site is the Vrije Universiteit in Amsterdam, at De Boelelaan 1105 in Amsterdam. The Vrije Universiteit Amsterdam (VU) is a broad research and teaching university in Amsterdam. Het VU-complex is located at the De Boelelaan in Amsterdam. Walking in the main building, you will see the SPR stands at once. The Psychology Faculty of the VU (Dean Prof. Dr. P. Cuijpers) is the organizer of this SPR conference 2018. Prof. Dr. Dekker is the chair of the LOC.

Program Structure: The program starts on Wednesday, with 10 Pre-Conference workshops, 5 in the morning, from 9.30 to 12.30, and 5 in the afternoon, from 14.00 to 17.00. The Opening Ceremony begins at 17.45 and includes the Presidential Address, the Awards Ceremony, and a reception.

Thursday, Friday, and Saturday mornings will open at 8.00. Thursday starts with five Semi-Plenaries approaching diversity from the perspectives of age groups, culture, gender, psychotherapy integration, and research methods.

Chapter meetings are scheduled for Thursday, from 14.30 to 15.25.

The General Membership Meeting is scheduled for Saturday from 9 to 9.55, immediately after the Plenary "A corrective exploration of therapist training."

As usual, we will have two poster sessions: on Thursday from 19.30 to 20.15 and on Friday from 18.30 to 19.15.

Coffee and Lunch: The program includes coffee stations in the foyer on the first floor, which will be open for one and a half hours mornings and afternoons. Only on Friday, there will be a break from 11 to 11.30. On Thursday, the morning coffee will be offered from 09.30 to 11.00, and from 10.00 to 11.30 the rest of the days. Coffee stations will be open in the afternoon from 16.00 to 17.30. Additionally, there are coffee machines on the even numbered floors.

The program includes one and a half hours for lunch every day. Lunch will be served from a buffet in the Foyer (same area as where the welcome reception will be held) and in the ‘Receptie Boeelaan’ (Poster area) on Thursday, Friday, and Saturday. There are seating areas inside and outside. On Friday, there will be a boxed lunch to allow delegates to attend the Interest Group Meetings that are scheduled at lunch time. SPR’s interest groups are: Child, Adolescent, and Family Therapy Research; Culture and Psychotherapy; Therapist Training and Development; Case Study Interest Group; and Complexity Science in Psychotherapy.

The conference banquet will be held on Saturday evening at 7 PM, at the Rode Hoed (meaning: Red Hat), a seventeenth century building at one of the famous grachten (canals) of Amsterdam, in the centre of the city. From 1692 on it has been used as a clandestine church. In 1957 it was converted to an event location. The address is Keizersgracht 102, 1015 CV, Amsterdam.

We are happy to have you here in Amsterdam!

CE Credit

SPR is pleased to offer Continuing Education credits through APA Division 29, Division of Psychotherapy. APA Division 29 - Division of Psychotherapy - is approved by the American Psychological Association to offer continuing education for psychologists. APA Division 29 - Division of Psychotherapy - maintains responsibility for the program.

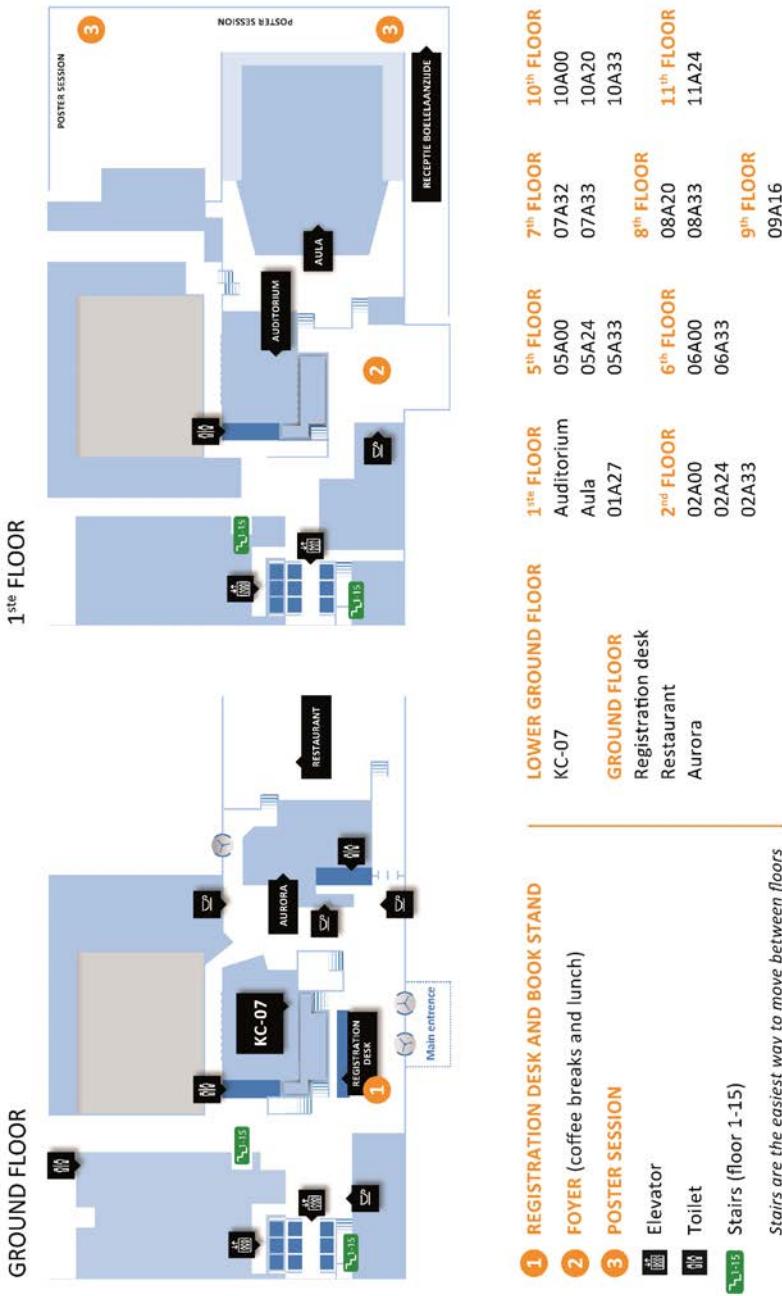

CE Credit is granted to participants with documented attendance at individual workshops and completed evaluation forms for those sessions. Attendance is monitored. Credit will not be granted to registrants who are more than 15 minutes late, are absent for more than 15 minutes during a session, or those who depart more than 15 minutes early from a session. Credit will not be granted to registrants who do not submit a completed evaluation form at the end of the session. It is the responsibility of registrants to comply with these requirements. It is the responsibility of the attendee to determine whether these CE credits are valid in his/her state of licensure.

Registration for CE credits can be done on-line during registration or on-site at the registration desk. The fee is \$60. Please pick-up a *CE PASSPORT* at the registration desk. This booklet lists all sessions offering CE credits and will be used to mark your attendance and associated credit for sessions. At the close of the conference, turn this booklet in to the SPR representative authorized to verify and sign the form. You will receive a receipt for your log and the approximate CE hours it represents. All session evaluation forms will be completed at the end of each session attended and returned to the Evaluation Form Return box located at the registration area.

CANCELLATION POLICY: Full refund for a cancellation received prior to June 1, 2018. A 50% handling charge is imposed on cancellations received between June 1, 2018 to June 20, 2018. No refunds are given for cancellations received after June 20, 2018.

COMPLAINT PROCEDURE: Should you wish to file a formal complaint about the CE process, please visit the Division of Psychotherapy's website:
<http://societyforpsychotherapy.org/> for complete instructions.
